Well Flowmeter Monthly Read Log

PO Box 225 — Carpinteria, CA 93014

This form is required for properties with flowmeters as the CGSA configures their Advanced Metering Infrastructure (AMI) system. These flowmeter reads help to validate the information coming in and will allow availability of metered pumping data as soon as possible while the CGSA works to configure all of the unique flowmeter pulse configurations in the AMI system.

State Well Number: _____ **Calendar Year:** _____
Assessor Parcel No. (APN): _____ **Meter Unit:** _____
